

EXAMPLES OF PREVIOUS KELLOGG CAMPUS INNOVATION PROJECT TOPICS

Moving Developmental English Courses into a lab setting at Cleveland Community College for both lecture and lab times
Mapping QEP Critical Thinking Outcomes to Student Learning Outcomes for developmental courses at EL Centro College
What have I gotten myself into? Orientation and Professional Development for Adjunct Faculty
Development of an Effective College Readiness Program Requires a TEAMS Approach
Comparison of Three Delivery Approaches for Intermediate Mathematics at North Carolina Agricultural and Technical (A&T) State University
Keeping the Community in Community College: Retaining Affective Skills Instruction in an Accelerated Learning Environment
Integrated Reading/Writing Program for Developmental Education
Develop a Strategic Plan for Developmental Education at Butler Community College
Building Developmental Students' Academic Persistence Through Information Literacy
An Evaluation of Targeted Interventions for Developmental Education Students at Grand Rapids Community College
Preparing Instructors and Students for DRE modules
A Stress management Program for Developmental Students: Just Breathe
Researching, Developing, and Implementing Instructional Strategies for Engagement in Development English at a Community College
The Implementation of an Integrated Developmental Reading/Writing Curriculum at Mountain Empire Community College
A New Paradigm for Developmental Education: Evoking Deliberate Fascination in Alternatively Empowered Learners
Comparison of Three Delivery Approaches for Intermediate Mathematics at North Carolina Agricultural and Technical (A&T) State University
The Developmental and Implementation of Contextualized Remediation at Otero Junior College
Intergrating Emtional Intelligence: An instructor Activity Guide for Implementation to Impact College Student Affective Domain in Developmental Math Classroom
Using Instructional Design to enhance learning for students in the San Juan College's Commercial Driver's License (CDL) Program
Designing and Assessing Ongoing Professional Developmental Opportunities for the Adjunct Faculty in the Developmental Education Program at Western Colorado Community College
Whether the success rate of ESL Students enrolled in Developmental Education Reading, Writing, and Math classes with increase when Title V Preceptors and Student Leaders are provided training in ESL Learning Strategies and additional support from an ESL Instuctors.
Practice for Placement Tests
Using Classroom Assessment Techniques in Developmental Mathematics Classes
Great Stories Begin Here: High School Seniors use Digital Storytelling to Chronicle their College Preparation Journey
The development and design of the DMASC
Preparing Instructors and Students for DRE modules
Adjunct Faculty: Developmental Studies Programs' Most Valuable, Untapped Resources
Reading, Writing, and Arithmetic in Context: Building math literacy through reading/writing integration and metacognitive reflection in developmental reading courses.

Multi-media professional development opportunities for Developmental Studies faculty and Writing Lab instructors and Academic Achievement Center (AAC) Language Arts Lab
Designing an Integrated Reading/Writing Course (working title)
An In-Depth Inquiry into Support Faculty Members Need in Order to Remove Barriers to Learning for All Students
Flip It!
Instructor Toolbox
Implementation of an Effective Training Program for Math Tutors within a Modified Emporium at Maysville Community & Technical College
Reading Enrichment Using Cognitive Theory
Designing an Intergraded Reading/Writing Course with an Outline Component
Springboard
Instructional Technology Practices of Developmental Education
Comparison of Accelerated Learning in 8 week bi-term MyMathLab (MML) developmental math courses vs. a traditional 16 week MML developmental math course (with encouragement to complete two courses in one semester).
Integrating mandatory academic and student support in developmental courses (IMACSS)
The Development of a Combined Beginning and Intermediate
The Implementation of an Integrated Developmental Reading/Writing Curriculum at Mountain Empire Community College
Enhancing Developmental Education at Shenandoah University
Creating a hybrid tutor training model
Proper Placement in Developmental Math
Faculty Inquiry Teams: Using Data and Research to Address Achievement Gaps in Developmental English and Math
Developing Developmental Educators
Redesigning Mesabi Range College Developmental Education Program
Investigating the Factors Involved with Success in Japanese Courses
Echoes: Metacognitive Scaffolding in College Developmental Literacy
Developing Writer's Workshop: A Bridge to Success
Introducing contextualized writing and subject interest groups for one section of Developmental Writing II
Professional Development for Adjunct Developmental Education Faculty
Implications of and Ways to Combat Math and Test Anxiety (with Jenny Goldsmith)
The Establishment and Dissemination of Baseline Data about the Developmental Education Program at Johnson County Community College (JCCC)
Enhancing the Developmental Education Program by Bringing Organization to a Decentralized Program
Effectiveness of contextualized reading instruction for academically underprepared students entering the University of Alaska Fairbanks
A Primer for Adjuncts and New Developmental Educators at Community Colleges
Team-based Supplemental Support to Improve Outcomes in Entry-level Composition Courses
An Examination of the Relationship Between Reading Ability and Metacognitive Strategy Use in Developmental Readers
Development of a pilot learning assistance program that will help students reach higher quality learning outcomes and earn higher grades

Implications of and Ways to Combat Math and Test Anxiety (with Steve Coryell)
Instruction for Instructors: Developmental Education for Adjuncts and New Faculty (with Erin Severs)
Using Facebook as a Course-Management System (CMS) with ENG 012 (Developmental Writing) Students
2012 Summer Institute of Developmental Education (SIDE)
Assessing the Effectiveness of a Study Skills Course Specifically Targeted at Developmental Students
The Use of Acceleration of Developmental Education (working title)
Basic Accelerated Mathematics of El Camino College
Establishing an Intensive Paired Faculty/Student Mentoring Program to Improve Developmental Student's Grade Point Average and Retention
The Effectiveness of using Developmental Reading as a Support Class for a Reading-Intensive English Course
A study of Math Redesign: Observation and Implementation
Developing an Early Alert Program for Developmental Education Students in a Freshman Seminar Course at Parkland College
Identifying and Addressing Freshman-Level Literacy Proficiencies Necessary for Success in Gatekeeper Courses at Oakton Community College
Accelerated Reading
Designing a Research-Based Combined Developmental Reading and Developmental Writing Course
Designing a Reading Certification Plan for Houston Community College
What Does Developmental Education Mean to you? Assessing the Knowledge and Perceptions of Adjunct Faculty Teaching Developmental Education Courses at UNCG
Mentoring Female Hispanic Undergraduates in a Developmental Reading Course: A Case Study Pertaining to Anxiety, Attitude, and Motivation Toward Positive Self-Efficacy
Creation of a web based course to assist adult basic skills students in college transition
Accessible Adjunct Professional Development and Direction
Instruction for Instructors: Developmental Education for Adjuncts and New Faculty (with Alex Haines-Stephens)
Are students completing a modularized, developmental mathematics course as competitive in credit-bearing mathematics as those who complete traditional developmental courses? How do they compare with their non-developmental cohort?
Implementing a Common Discourse for College Success: Creating an Instructional Toolkit and Common Experience Teaching Program for Adjunct Faculty
Adjunct Faculty Orientation and Professional Development for Developmental Writing
Facilitating Vocational Student Learning Through Contextualization
Enhanced MyMathLab for MAT055 Pre-Algebra Developmental Math Course
Developmental Educational, Diversity Awareness and Technology (DEDAT)
Using Peer-Facilitated Writing Groups to Foster a Community Writing Project
Enrollment and Completion Patterns in Freshmen English Courses at Cazenovia College
Innovation Academy for Developmental Math Instructors: Developmental Advising
Why we teach -- A workshop for developmental math instructors.
Utilizing Evaluation to Determine the Appropriateness of Learning Communities for Developmental ESL Students: A Case Study
Developmental Education Advisory Committee

Failure to Begin Math Sequence
Design and Implementation of College Writing Center
Redesign of Developmental Math to Accelerate using Best Practices
Contextualization Developmental Mathematics for Students at the Advanced Technology Center, New River Community & Technical College, Ghent, WV
Developing a Learning Village model for Developmental Education inclusive of service learning and intrusive advisement and counseling support services
Increasing Student Success and Retention through the Development of Hybrid Course Model in Basic Writing
Classroom Connections
Creating a Skills Prep and Skill Refresher Course in Developmental Math
Acceleration of Developmental Reading Courses
Designing a course that integrates reading and writing strategies tailored to co-requisite college-level English Composition I
